LIMITED WARRANTY: AGF Manufacturing, Inc. warrants each product against defects in material and workmanship for a period of one year from the date of original shipment. In the event of such defects within the warranty period, the Company will, at its option, replace or recondition the product without charge. This shall constitute the exclusive remedy for breach of warranty, and the Company shall not be responsible for any incidental or consequential damages, including, without limitation, damages or other costs resulting from labor charges, delays, vandalism, negligence, fouling caused by foreign material, damage from adverse water conditions, chemicals or any other circumstances over which the Company has no control. This warranty shall be invalidated by any abuse, misuse, misapplication or improper installation of product. THE COMPANY MAKES NO OTHER WARRANTIES EXPRESS OR IMPLIED EXCEPT AS PROVIDED IN THIS LIMITED WARRANTY.

INSTALLATION INSTRUCTIONS FOR
TESTa nDRaIn® MODEL 2500 VALVE
1" AND 1¼" MODELS

1. Check the indicating plate for the correct orifice size.
2. Thread the pipe nipple into the inlet of the TESTa nDRaIn.
3. Thread the pipe nipple and the TESTa nDRaIn into the outlet on the feed main.
4. Thread the piping from the outlet of TESTa nDRaIn to an acceptable drain fixture or active express drain as required.
